# INSTRUCTIUNI DE MONTAJ

**Female Loop** **Male Peg**

**Step 1**  
Start by laying your first panel on any corner. The loops should be pointed in the direction you want to add panels.

**Step 2**  
The panels have 2 sides with female loops, and 2 sides with male pegs.

**Step 3**  
Place the next panel so that the pegs line up over the loops.

**Step 4**  
Gently step on each panel. You will hear and feel it snap into place. Repeat these steps until your flooring is complete. That's all there is to it!
